Dear Parents and Carers

Welcome to Cheshire West and Chester Council's Starting School 2025/26 booklet. Starting school is a very important and exciting stage in your child's life. This booklet provides you with all the important information to help you through the process of applying for a school place.

Please pay particular attention to Step 1 in the first section of this booklet before making your application. I hope that you find it helpful and informative when deciding on your school preferences.

Please ensure you read the information in this booklet carefully before making your application. This will ensure that you understand the timescales, how your application will be processed and how decisions about applications are made.

This booklet includes information on the requirement for the Council to co-ordinate the admissions for all schools within its area which includes maintained schools, academies and free schools.

The online application facility was very successfully used last year. Of the primary applications received for the 2024/25 academic year, 99.2% were made online in Cheshire West and Chester.

The online facility is available until midnight on the closing date of 15 January 2025 at www.cheshirewestandchester.gov.uk/admissions.

Applying online offers you many benefits. In particular you will be able to view your offer online on the published date.

You may prefer to complete a paper application form which is included at the back of this booklet. The closing date for applications is 15 January 2025. It is essential that you submit your preferences by this date to ensure that your application is not disadvantaged.

If there is anything about the process that you are uncertain of when completing your application you can contact Cheshire West and Chester Council for assistance on 0300 123 7039. I would like to wish your child every success as they start their education at Primary School.

SECTION 1: APPLICATION PROCESS

It is advised that parents and carers arrange to visit the preferred schools prior to making an application, as once the place is offered, it may not be possible to accommodate a change of preference later in the process.

Step 1: Information to consider before making your application

Transport

Travel arrangements need to be an important consideration when you're making your school preferences. Very few primary children qualify for travel assistance from the Council.

Since September 2015, travel assistance is only offered to pupils attending their nearest qualifying school (the school that is closest to the pupil's home address) if it is more than the statutory walking distance.

This may not necessarily be your catchment school if there are nearer schools to your home address with places available.

If you choose to accept a place at a school that is not your nearest qualifying school for travel assistance purposes, you do so on the understanding that transporting your child to that school is your responsibility.

You will need to take any practical arrangements and potential travel costs into account when making your preferences to ensure that your child can get to and from school at the appropriate time each day.

Please be aware that our home to school transport policy is different from our admissions policy. School places are allocated in accordance with the oversubscription criteria (See Section 3 of this booklet) and home to school distances are calculated in a straight line.

Home to school transport distances are assessed using an in-house GIS mapping system that measures the nearest available walking route. This means the result for the nearest qualifying school for transport can be different from the nearest school for admissions purposes.

We recommend that you contact our School Transport Team, to discuss your application and to find out which school is your nearest for travel assistance purposes. Contact details can be found in Section 4 of this booklet.

Faith Schools

We do not provide travel assistance to faith schools unless it is the nearest qualifying school (the school that is closest to the pupil's home address and it is more than the statutory walking distance).

Transport for Pupils with Special Educational Needs (SEN) and/or Disabilities

Once a pupil's Education, Health and Care (EHC) Plan is finalised, the SEN Team will assess their eligibility for home to school travel assistance.

If a pupil is attending their nearest qualifying school and the distance from home to school is over the statutory walking distance, they will be eligible for travel assistance.

If a pupil is attending their nearest qualifying school, but their home to school distance is less than the statutory walking distance, then eligibility will be assessed on their individual needs.

If a pupil is not attending their nearest qualifying school, they will not be eligible for travel assistance and it will be the parent/carer's responsibility to arrange transport for their child to and from school.

For further information contact the SEN Team, details are in Section 4 of this booklet.

For further details about any aspect of Home to School Transport please contact our School Transport Team, contact details are in Section 4 of this booklet.

Please note that the Council's School Transport Policies are reviewed annually and therefore are subject to change. For further information on how our policies are administered and to see the full eligibility criteria please see our website www.cheshirewestandchester.gov.uk.

Moving House

Residency: The address stated on the school application must be the address the child is living at the time of application, that is the address where the child lives and wakes up between Monday to Friday. This address must be used on your application.

Parents and carers must inform us immediately of a change of address. Please note: Parents and carers can notify us of a future house move by including the details as additional information but until a house move actually takes place the new address will not be used.

We will require supporting evidence to show that the child's place of residence has changed. Documents required are:

- Proof of purchase of new property or signed tenancy agreement;
- Confirmation of the family's move from the previous property, which may include any of the following documentation: invoice from a removal company; a disconnection certificate from previous address; documents for the sale or lease of the property; legal transfer arrangements to another third party, etc;
- Council Tax or utility bill (e.g. gas, electric or water bill) confirming usage at the new property and;
- A formal document confirming the residency of your child.

Examples of evidence you could provide for this are proof of receipt of Child Benefit or Child Tax Credits at the new address, evidence of your change of address with a bank/building society/Trust Fund account in your child's name, proof of change of address with a GP, doctors surgery for your child, or a doctors/dentist/hospital appointment letter.

Please note: Parents and carers are responsible for notifying us when a house move has taken place. Your address and criteria will not be changed unless the supporting evidence is received.

Information and supporting evidence must be received by 20 February 2025 as this is the last opportunity to submit evidence before the initial allocation of school places.

Proof of residency received after 20 February 2025 cannot be used for the initial allocation of school places, however, it will be used for correspondence purposes and for later in the process i.e. for collation of waiting lists or for admission appeals, if they are necessary.

We may remove a place where it has been identified that a change of address has taken place before 20 February 2025 and it has not been declared.

If you move between 16 January 2025 and 20 February 2025, and sufficient evidence is received within this timeframe, your address will be updated and treated as on time.

If you move between 21 February 2025 and 16 April 2025, and sufficient evidence is received within this timeframe, your address will be updated as of 16 April 2025. Your new address will then be used for the collation of waiting lists or for admissions appeals if they are necessary.

If you move after 16 April 2025 your address will be updated as the date the relevant evidence is received. Your new address will then be used for the updating of waiting lists or for admissions appeals if they are necessary.

The School Admissions Code gives us the right to withdraw any school place offered on the basis of a fraudulent or intentionally misleading application. If we receive notification of a potentially fraudulent application the Council's Fraud and Investigations Team may be asked to review the information that has been provided. This may include interviewing and taking a signed statement from the applicant.

Shared Responsibility

Where parents/carers have shared responsibility for a child, the place of residency - for the purposes of the school admissions process - will be determined as the address where the child resides for the majority of the week. That is where the child wakes up from Monday to Friday.

Only one application can be considered for each child and we would expect that in most cases parents/carers will take the above residency requirement into account, agree on their preferences and submit one application.

In the event of two applications being received for a child with shared residency we will then only consider the application from the parent/carer with whom the child resides the majority of the time. That is unless a copy of a Court Order is provided with the application which contains a specific direction regarding the child's education.

If the child resides with two parents/carers equally and both submit applications, then neither will be considered and the parents/carers will be asked to agree a single application between themselves.

Any supporting documentation must be provided by 20 February 2025 to enable the Council to determine before the allocation of school places begins.

Where a parent who is not the applicant wishes to know where their child/ren has been allocated a school place, in the first instance the parent should contact the applicant for information. The council cannot release this information unless legal proof is received that allows the council to do so.

Making an Informed Decision

Before expressing a preference for a school place it is important to make a realistic assessment of your child's chance of gaining a place at your preferred school(s).

The information in this booklet is intended to help you understand the arrangements for the admission of children into schools in England. It will explain your rights and responsibilities and will answer many of your questions.

Section 2 of this booklet provides detailed information on the individual schools in Cheshire West and Chester. This section highlights the number of applications received and places allocated for September 2024, including the lowest criteria and furthest distance allocated. This may assist you in assessing your chances of obtaining a place at your preferred school.

As the pattern of parental preference can change from year to year, this is only an indication and does not guarantee admission to any particular school.

Please refer to Section 3 of this booklet for information on how applications are prioritised for each school.

Does the law say I can choose the school my child attends?

The law does not give you the right to choose a school for your child. However, it does allow you to make a preference as to which school you would like your child to attend and we must try to meet that preference. Preferences will be met unless more applications are received than there are places available. Where that is the case, the relevant oversubscription criteria will be applied to all preferences. Places are then allocated in strict criteria order, in accordance with the relevant Admission Arrangements. Section 3 outlines the Admission Arrangements - including oversubscription criteria - for all Cheshire West and Chester schools. Please note: Not all oversubscription criteria are the same so it's important to read the criteria for each school you are considering making a preference for.

Equal Preferences

All preferences will be considered on an "equal preference" basis. This means that all your preferences will initially be considered without reference to your preference ranking.

If you could potentially be offered a place at more than one of your preferences (i.e. because a preferred school is undersubscribed or because you meet a high enough criteria for an oversubscribed school) the school place you will be offered will be the school which you ranked the highest on your application form.

Published Admission Numbers

Admission Authorities (the Council for community and voluntary controlled schools and the governing bodies/trust of voluntary aided schools, free schools and academies) have to determine Published Admission Numbers (PANs) the PAN is used to calculate whether any year group within the school is full or has places available.

The determined PANs for each primary school are listed in this booklet. The PAN is the maximum number of places that will be allocated to the reception class for September. However, The Schools Admissions Code, September 2021, allows Admission Authorities to admit above PAN where it will not adversely affect the school now or in the future or breach infant class size legislation. The Admission Authority must provide sufficient notice to the Council of any decision to admit above PAN, This is so that we can deliver our co-ordination responsibilities effectively and ensure that, as far as it is practical, every parent living in Cheshire West and Chester who has applied for a school place receives a single offer on the same day. Admitting over PAN does not mean there will be permanent increase to the PAN.

What happens if there are more applications for a school than there are places available?

The published oversubscription criteria for the school will be applied to each applicant determine who will be offered the places. If we can offer you a place at more than one of your preferred schools, we will make you a single offer which will be for the school that you ranked the highest. If you are a Cheshire West and Chester resident and we are unable to offer you any of your preferences, we will allocate you a place at the nearest Cheshire West and Chester school which has places available. This will not affect your right of appeal. If you are not a Cheshire West and Chester resident then we will not allocate you a place and you should discuss this with your own council.

I have only one school that I want to name as my preference. Is my first preference more likely to be met if I do not give a second and third preference?

No and you are potentially disadvantaging yourself from receiving a school offer close to your home. We strongly advise that you use all three preferences in priority order for the schools you wish your child to attend. If you only state one school preference and we are unable to offer you a place at that school, we will then have to offer you a place at the nearest school with a place available (Cheshire West and Chester residents only). If you state more preferences and your highest (first) preference is unsuccessful you may then be offered a place at your second or third preference. If you do not use all your preferences and your local schools are filled by those who have expressed a preference then you may be allocated a place at a school some distance away.

Please Note: If you name the same school more than once on the application form this will not increase your chances of being successful. This is the same as only making one preference and you may be disadvantaging yourself.

Step 2: Applying for a School Place

As required by law, Cheshire West and Chester Council make arrangements for parents and carers to express their preference for the school where they wish their child to be educated and an opportunity to give reasons for their preference before any places are offered.

The co-ordinated admissions process provides a way for ensuring that as far as it is practical, every parent living in an English council area receives a single offer of a school place on the same day.

All English councils are required to provide a common application form (CAF), which allows for at least three school preferences, for parents and carers resident within an authority. All school preferences must be included on the home council's form.

- **Open Events** - We would strongly advise that you visit any school/s that you are considering applying for. Please contact schools directly.

Cheshire West and Chester Residents

You will need to apply to Cheshire West and Chester Council even if the school you wish to apply for is in another English council.

- You will be asked to provide some personal information (such as name, address) in order to process your application. The information you provide will be held securely in accordance with the General Data Protection Regulation. Where required, your data will be forwarded to schools, other local authorities and relevant Council departments to consider and/or verify the information you provide.
- You can express up to three preferences for any English Council School/s;
- You cannot express a preference for a school in Wales, Scotland, Ireland or abroad. Please contact the relevant council;
- In addition, you cannot apply for a place at an Independent (Private) School. Please contact the school directly.

Non Cheshire West and Chester Residents

If you reside in another English council area, you will need to apply to your home council, even if the school you wish to apply for is in Cheshire West and Chester.

If you are resident in Wales, Scotland, Ireland or moving from abroad you can apply direct to Cheshire West and Chester.

The address stated on the school application must be the address the child is living at the time of application, that is the address where the child lives and wakes up between Monday to Friday and not a future address.

The address must be the child's home address and not the address used for childcare purposes.

The school admissions code gives us the right to withdraw any school place offered on the basis of a fraudulent or intentionally misleading application. If we receive notification of a potentially fraudulent application our Fraud and Investigations Team may be asked to review the information that has been provided. This may include interviewing and taking a signed statement from the applicant.

- We will only discuss details of the application with the applicant unless an additional contact is named on the application.

Compulsory School Age

Children reach compulsory school age at the beginning of the term following their fifth birthday.

Child's fifth birthday	Compulsory School Age
1 September - 31 December	Spring Term
1 January - 31 March	Summer Term
1 April - 31 August	Autumn Term

Under the Council's policy, children may start school the September following their 4th birthday. Therefore, **children born between 1 September 2020 and 31 August 2021** are normally admitted to school in September 2025.

Applications for admission, and any appeals, are normally considered in relation to the availability of places in the child's chronological age group.

Deferred Entry

If your child is due to start school during the next academic year, you must apply for a place for September.

If your child's fifth birthday is between the months of September and December, then, if you wish it, admission may be deferred until January; if it is between January and April, then admission may be deferred until the start of the summer term, though it is likely to be in your child's interest to start no later than January.

Applications for deferred admissions must nevertheless be made by the published closing date.

Delayed Entry for Summer Born Children

There are two options if you wish to delay your child's school entry until the following year, for children born between 1 April and 31 August only:

Delayed entry option 1 – A written notification must be submitted to the council advising that you wish to delay your child's entry until the following September and join the normal age group in year one. You will need to make an in year application to the school at the beginning of June prior to the September start.

Delayed entry option 2 – You must apply within the timescale for the normal admissions round submitting a written request together with the application advising that you wish to delay your child's entry until the following September and start in reception, a year below their normal age group. Approval from the admission authority is required for this option.

The vast majority of children in Cheshire West and Chester are taught in their chronological year group.

How do I apply for my child's school place?

The Council will only discuss details and the outcome of the application with the applicant. Any enquiries received from someone who is not the applicant will need to obtain written consent from the applicant for the council to release any information.

The Council invites you to submit three preferences on your application.

There are two ways to make your application. These are:

- Online application
- Paper application

Online Applications

Benefits to applying online

For the 2024/25 admissions round, **99.2%** of primary applications received by Cheshire West and Chester Council were made on line. There are many benefits to making an on line application including;

- Applicants can view their offer online from 12.30am on the published offer day (rather than waiting for the offer letter to be received in the post);
- It is quick and easy;
- You can apply from home 24 hours a day, 7 days a week;
- There is no risk your application will be lost in the post;
- You will receive an email confirmation that your application has been received;
- You will receive your offer of a school place by email.

How do I apply online?

Visit: www.cheshirewestandchester.gov.uk/admissions

- You will be required to create an account. It is important that you keep a note of your password, security question and answer as this will be required to access your account when viewing the outcome of your application on offer day.
- Once you have given your details you will receive an email to verify your email address which will include a link to the system to complete your online application.
- You will receive an acknowledgement email once you have pressed the submit button for your online application. **If you do not receive an acknowledgement email confirming that your preferences have been received, you must contact the Council as soon as possible as this may indicate that your application has not been received.**

More details regarding online applications can also be found on the website.

Paper Applications

If you require an acknowledgement that your paper application has been received you will need to send a stamped addressed envelope with your application form. An application form can be found on page 75 of this booklet.

Closing Date for Application

All applications must be received by the Council by 15 January 2025. Please take into consideration when posting a paper application allowing enough time for the application to reach us by the closing date. Any applications received after this date will be treated as a late application unless the council considers that there are good reasons for the application being late. Further information on late applications can be found on page 13 of this booklet.

What if I need help with my application?

Please contact the Council on **0300 123 7039**.

Where do I get help if my child has an Education, Health and Care Plan?

The Information Advice and Support Service provides impartial information for parents, children and young people on special educational needs and disability. Staff and volunteers offer personal contact and support with paperwork, attend meetings in school and with the Council, provide information on voluntary groups and other sources of help including the Local Offer.

The service is available to parents whose children have special educational needs, as soon as their needs are identified and at any age from birth until age 25 years.

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with an Education, Health and Care Plan that names their school. Academies will normally be subject to a similar requirement through their agreement with the Department for Education.

For contact details, please see section 4 of this booklet.

Attendance at a Nursery or Pre-School Co-Located Children's Centre

Admissions procedures for nursery education and school aged education are completely separate. Attendance at a nursery class in a maintained school or Academy, pre-school or private nursery on a school site, co-located nursery school or a co-located children's centre does not therefore guarantee admission to that school.

Parents of children who are admitted for nursery education will still need to apply for a place at the school and all applications will be considered in accordance with the relevant published admission arrangements. Please note: for Community and Voluntary Controlled Schools, attendance at the school's nursery class does not form part of the council's Oversubscription criteria and will not be considered when assigning a criteria.

Universal Free School Meals

1. All pupils in reception, year 1 and year 2 will be eligible to receive a free school meal irrespective of the level of the family income.
2. For all other pupils (nursery classes and children above year 2) eligibility for free school meals will continue to be based on the level of the family income.

Pupil Premium - Where a child of any age qualifies for free school meals based on family income, the child's school receives additional Government funding called the Pupil Premium. This is to provide extra activities to help children succeed better in their education.

Because this **additional** funding is based on family income it is vital that parents / carers continue to make an application for free school meals, even if their child automatically qualifies under 1 above, as without an application the school will not receive this extra important funding.

So please help your child's school by ensuring it gets the maximum Pupil Premium funding available – all children in the school will benefit as a result.

For more information please call us on **0300 123 7021** or visit our website at www.cheshirewestandchester.gov.uk/schoolmeals

Before and After School Care

You may wish to consider when deciding on your preferences whether the schools/academies have a before and after school club or if there are childminders that provide a school collection service. For childcare options please visit: www.livewell.cheshirewestandchester.gov.uk

Admission Appeals and Infant Class Size Legislation

Apart from some very limited exceptions, no infant class may contain more than 30 pupils being taught by a single school teacher. Any admissions which would increase an infant class to more than thirty pupils to one teacher would result in a breach of infant class size legislation and would require 'qualifying measures' to be taken to comply with this legislation.

Qualifying measures that could be taken include:

- Organising an extra class;
- Appointing an additional teacher;
- Providing an additional classroom;
- Introducing or extending mixed age group teaching, e.g. grouping year one and year two children together in classes of 30 or less.

When the Admission Authority can show to an appeals panel that any further admissions would breach the infant class size limit an appeal could only be upheld (supported) if the appeals panel decide either:

- the child would have been offered a place if the admission arrangements had been properly implemented or correctly and impartially applied; or
- the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and part 3 of the SSFA 1998; and/or
- the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Voluntary (Church) Aided School Applications

Church aided schools, named as preferences, may request written confirmation of religious commitment, e.g. by means of a letter of support from a church minister, or, for admission to Catholic schools, evidence of baptism. Aided schools that require the completion of a supplementary information form (SIF) are listed in Section 3 of this booklet.

How will my application be considered once submitted to the Council?

Once an application is received by the Council, the following process will be applied:

- Details on the application will be checked against any data already held by the Council. **If we find a discrepancy between the data stated on the application and the data held by the Council verification may be required.**

If you indicate that there is a sibling already attending the preferred school on your application and the address we hold for the sibling is different to the address stated on the application, a 'Sibling' criteria will not be assigned. Therefore please ensure that the school holds the most up to date information. Please see Section 3 for the definition of the 'Sibling' criterion.

- Preferences received for Aided Schools, Academies and Free Schools will be forwarded to the relevant admission authority together with any additional information for their consideration;
- Preferences for other English Council Schools will be forwarded to the relevant council for their consideration;
- A criteria is assigned for each preference by the relevant admission authority based on the information stated on your application. Please see Section 3 for the oversubscription criteria for each school. Please note the policy may have changed from previous years.

What happens if I need to change my application once it has been submitted?

If your circumstances change and you need to amend the schools you have named on your application or make any other changes after you have sent the form back, providing it is before the closing date of 15 January 2025 you will need to write to the Council stating your reasons for your change of preferences. If you make any changes to your online application after you have submitted it, this will automatically withdraw your previous application. You must press the submit button again to ensure your amended application is received.

Any changes made after the closing date will result in your application being treated as a late application, unless the Council accepts that there is a genuine reason for the change and providing it is made before 20 February 2025, e.g. a recent house move, which must be stated at the time of the application. For further details please see information on 'Moving House' on page 5.

Late Applications and Late Changes

Applications received after the closing date of 15 January 2025 will be considered after all on time applications, unless the Council considers that there are good reasons for the application being late, which must be stated at the time of application, i.e. exceptional medical reasons preventing an earlier application. Supporting documentation must be provided. This includes any changes made after the closing date to an on time application.

Where supporting documentation has been received by 20 February 2025 and the Council has accepted reasons stated for a late application or late change, the application will be considered as if it had been received by the closing date. There are no exceptions to this timeframe.

Application forms, supporting documentation and changes received after the 20 February 2025 will be considered after all on-time applications even where the Council accepts that there are good reasons for the late application as the allocation of school places will have begun.

Where late applications are received for places at aided schools, free schools or academies in Cheshire West and Chester, the Council will notify the admission authority that the application has been received late.

Parents and carers are responsible for notifying the Council of the reasons for a late application. Any applications received after the closing date of 15 January 2025 that do not provide reasons for consideration by 20 February 2025 will be treated as late applications and considered after all on-time applications.

When will I know the outcome of my on time application?

Offers for primary school places will be posted out on the **16 April 2025** to those parents/carers who have applied using a paper application.

If you apply online at www.cheshirewestandchester.gov.uk/admissions you will receive your offer by email and you can log on to your account to view the school place offered on **16 April 2025**. **Please note:** Only applications submitted using the online facility will receive an offer by email.

The table on page 12 gives an indication of when you can expect to hear the outcome of your application or any changes that you submit at various times throughout the coordinated admissions process. Please note that these dates are an indication only and are dependent on the volume of applications, enquiries and amendments received.

STEP 3 Process following the offer of a school place

Declining Places Offered

Following receipt of the notification on 16 April 2025, if the place is declined, it is important to notify the admissions team as soon as possible in writing or by email to admissionsCWAC@cheshirewestandchester.gov.uk, this allows the admissions team to re-allocate the place to a child on the school/academy's waiting list. The school place offered will automatically be accepted unless the applicant notifies the admissions team otherwise.

Cheshire West and Chester residents

If your child is resident in Cheshire West and Chester and we are unable to meet any of the preferences stated on your application form, the Council will allocate a place at the next nearest school with a place available, using a straight line distance measurement from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG). **This will not affect your right of appeal.**

Non Cheshire West and Chester residents

Where an application has been received for a child resident in another council area or resident outside of England and a place cannot be offered, Cheshire West and Chester Council will **not** allocate a place.

Waiting Lists

Any child refused a place at any of the preferred Cheshire West and Chester schools will automatically be placed on the school's waiting list.

After offers have been made the waiting lists for oversubscribed schools will start to be prepared and will consist of those children who have been refused a place at the school, those for whom an appeal form has been received, together with any late applications. Waiting lists will be held in oversubscription criteria order and not on a 'first come, first served' basis. Placing a child's name on a waiting list does not affect the statutory right of appeal. Please note: waiting lists for all schools must be held until the end of the Autumn Term for Reception year admissions.

The Council, as admissions authority for community and voluntary controlled schools will forward waiting lists to schools in September 2025 for the schools to continue to maintain as part of the In Year admissions process.

Re-allocating Places

We anticipate that by the end of May, any places that have become available after offers were made on **16 April 2025** will be re-allocated to children on the waiting list together with late applications received. Waiting lists are collated in over-subscription priority order and places are allocated accordingly in line with the over-subscription criteria.

Every year we strongly encourage parents and carers to apply on time for reception places for their children. Applying on time gives a far greater chance of securing a place at a preferred school. Unfortunately late applications can only be considered once all on time applications are processed and so parents and carers applying late will not receive an outcome until several weeks after national offer day.

If I decline the school place offered without making alternative arrangements, will the Council find me a school for my child?

We do not advise that you decline the school place offered unless you have already made alternative arrangements for the education of your child. If you choose to decline the place offered it is **your responsibility** to ensure that your child receives an education. Cheshire West and Chester Council can advise you of alternative schools with vacancies for September. Please telephone **0300 123 7039** for more information. This will not affect your legal right of appeal.

If I am refused a place at my preferred school(s) can I appeal?

Yes. For community and voluntary controlled schools you can appeal by completing an appeal form which can be obtained from the council's website at www.cheshirewestandchester.gov.uk/admissions or by telephoning **0300 123 7039**.

For voluntary aided schools, free schools and academies you can appeal by contacting the school directly for further information.

If your preferred school is maintained by another English Council you will need to contact the relevant council for information on how to appeal or be placed on a waiting list.

When will the appeals be held?

Appeals for admission in September 2025 will be heard by 23 July 2025 for those received by 21 May 2025 or within 30 school days for those appeals received after 21 May 2025. Appeals for admission in September 2025 will be heard together where possible; late appeal applications will not be heard before scheduled appeals for on-time appeal applications even where this exceeds the 30 school day limit.

General Information

Which address to use

The address stated on the school application must be the address the child is living at the time of application, that is the address where the child lives and wakes up between Monday to Friday and not a future address.

The address must be the child's home address and not the address used for childcare purposes.

The school admissions code gives us the right to withdraw any school place offered on the basis of a fraudulent or intentionally misleading application.

If we receive notification of a potentially fraudulent application our fraud and investigations team may be asked to review the information that has been provided. This may include interviewing and taking a signed statement from the applicant.

Children of Multiple Births

The School Admissions Code (September 2021) has included children of multiple births as a permitted exception to the Infant Class Size Rule where one child can be admitted without breaching infant class legislation. This is to ensure that, as far as possible, twins, triplets or children from other multiple births can attend the same school. The Council and relevant school will consider whether such admission will be prejudicial to the efficient education and efficient use of resources at the school prior to making any decision to offer such places.

Children of UK Service Personnel

If applying for an in year school transfer, places will be allocated in advance of the family arriving in the area for children of UK service personnel, if accompanied by an official government letter which declares a relocation date and a Unit postal address or quartering area address for considering the application against Council oversubscription criteria. In addition the School Admissions Code (September 2021) allows the admittance of a forces child as a permitted exception in relation to infant class size legislation. If applying for a place in the normal admission round, applications for children of UK Service personnel will be considered alongside all other applications, using the Unit postal address or quartering area address following receipt of the above evidence.

Right of Appeal

Parents and carers who are not offered a place for their child at a school stated as a preference have a right of appeal to an independent appeals panel. Parents can submit an appeal in respect of each school for which admission has been refused.

A separate appeal application form will be needed for each school appeal.

Applications for admission appeals are normally considered in relation to the child's **chronological age** group, other than in **exceptional** circumstances.

Parents and carers have the right to present their case to the independent appeals panel in person and to be accompanied by a friend or adviser or to be represented.

All appeals should be sent to the admission authority for the school for which admission has been refused. For appeals for places in schools maintained by other authorities, parents/carers will be advised to contact the council maintaining the school.

The Council makes the necessary administrative arrangements for hearing appeals relating to community and voluntary controlled schools and some church aided, free schools and academies but other church aided schools, academies and free schools make their own arrangements for appeal hearings.

For further information on the arrangements for appealing against a decision made by the governing body of an aided school or academy or free school, please contact the school directly. For appeals against decisions made by the admission authority of schools outside Cheshire West and Chester, please contact the relevant authority. The decisions of appeals panels are binding on the Council and on the school governing bodies.

Appeals must be submitted in writing. Application forms for appeals against decisions made by the Council for community and voluntary controlled schools in Cheshire West and Chester are available on the website at www.cheshirewestandchester.gov.uk or alternatively on request on **0300 123 7039**. Parents submitting appeals will be given more detailed information on the appeals arrangements.

There are different arrangements for appeals relating to school places for pupils with Education Health and Care Plans.

IMPORTANT INFORMATION

Infant Class Size Admission Appeals and Infant Class Size Legislation

By Law, a school cannot take in more than 30 pupils in one infant class where there is only one qualified teacher. Please read this information carefully before lodging an appeal where the statutory infant class size limit applies, e.g. schools with a published admission number of 30 or 60.

There are very limited grounds in which an independent appeal panel can allow further admission. An appeal for a school where the infant class size limit applies can only succeed, if one or more of the following grounds can be evidenced:

- A The panel finds that the admission of an additional child would not breach the infant class size limit**
- B An error (maladministration) was made, which meant the child would have been offered a place if the error had not occurred**
- C The panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case**

Repeat appeals will not be considered within the same school year unless the parents, child's or the school's circumstances have changed significantly and materially since the original application was made.

Religious Education

In community and voluntary controlled schools religious education is given in accordance with the Cheshire Agreed Syllabus for Religious Education. In aided schools religious education is given in accordance with the school's Trust Deed. Parents have the right to withdraw their children from religious education from any school including aided schools if they so wish and they may also withdraw their children from the school in order to receive, elsewhere, religious education of a kind not provided in the school. The Council's approval must be obtained in this latter case for such periods as are considered reasonable.

School Uniform

Headteachers, in consultation with school Governors/Trusts, decide whether or not there should be a school uniform. Details of uniform, where appropriate, are given in each school's prospectus which can be obtained from the school. The Council does not help parents with the cost of school uniform or physical education kit, except for pupils attending residential special schools where separate arrangements apply.

All pupils are expected to conform to a reasonable standard of clothing and personal appearance and parents are asked to try to ensure that pupils attend school suitably dressed.

Looked After Children

Applications received in respect of a child who is looked after or a child who was previously looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order who require admission to a school outside the normal admission round will normally be offered a place at the school serving the address at which the pupil is/will be living, i.e. the catchment area school, or the most appropriate school as determined by the Council even if that school is full.

In Year Admissions 2024/25

Applications for places in any year group other than at normal admission times are submitted to the school / academy and can be made via the Council. Waiting lists for in year admissions will be held by community and voluntary controlled schools in criteria order and not on a first come first served basis. For information on whether aided, free schools and academies hold waiting lists for in year admissions, please contact the schools direct.

Full details of this process is available on the website at www.cheshirewestandchester.gov.uk/admissions or by contacting the Council on **0300 123 7039**.

SECTION 2: SCHOOLS

Types of schools

- (a) Non-denominational community schools
- (b) Church schools (called voluntary schools) which may be aided or controlled.
- (c) Other non-denominational voluntary controlled schools
- (d) Academies and Free Schools.

Church of England (CE) aided schools are either aided or controlled. Church of England aided schools are schools where the religious education provided is in conformity with the rites, practices and doctrines of the Church of England. A Church of England controlled school, like an aided school, is a Church school functioning within the partnership of the Church and the Council.

Its Christian nature is an important aspect of the school's life. Its religious teaching is mainly in accordance with the agreed syllabus but this may, for those who wish, be supplemented by specific Church teaching. Worship at its school assemblies is linked with the worship of the Church in accordance with the provisions of its Trust Deed.

Academies and Free Schools

Academies and Free Schools are all-ability, state – funded schools. The funding agreement with the Department for Education requires the Academy/Free School's admissions policy and arrangements to be in accordance with, or consistent with, admissions law and the School Admissions Code.

School Holiday Dates

Information on school holiday dates for the Academic Year 2025-2026, are published on Cheshire West and Chester Council's website at www.cheshirewestandchester.gov.uk or alternatively please contact the Council on **0300 123 7039**. **For Aided Schools, Free Schools and Academies please contact the schools direct.**

Cheshire West and Chester Council consulted on adopting a standardised school year for its community and voluntary controlled schools. The Council also encourages voluntary aided, free schools and academies to follow the same dates, in the interests of consistency and forward planning for parents/carers across Cheshire West and Chester. Further information is available on the Council's website.

Primary Schools in Cheshire West and Chester

The following section provides information about primary schools in Cheshire West and Chester, including the names and addresses, contact details, age range of pupils in the school and the number of places available for **September 2025**, shown on the table as the **PAN** (the published admission number). The PAN refers to the number of places that can be allocated to the reception class for **September 2025**.

The detailed information about the number of preferences (applications) that were received and the number of preferences allocated (places offered) refers to **September 2024** admissions, and is shown to help you estimate what your chances of success are for a particular school before submitting your application. It is important to remember that this is only an indication and does not guarantee admission to any particular school.

How to use the information provided in the following school section.

Number of Preferences Received for September 2024

Using the table on the following pages, you will be able to see how many preferences (applications) were received for each school. These are broken down into ranking (i.e. first, second and third preference).

Places Allocated for September 2024

The second set of data headed **'Places Allocated'** refers to the outcome of the application process i.e. the number of places offered after all preferences had been considered. There is also a column showing 'Other' preferences. Where a parent/ carer's preferences could not be met this column shows the number of pupils offered a place where this was the next nearest school with vacancies. This information refers to places offered on 16 April 2024 for admission in September 2024 only.

Lowest Criteria Allocated

This column refers to the criteria for admission that was used for each school for September 2024 admissions. If the column shows N/A (Not Applicable), there were no unsuccessful applicants for the school as all parents who requested a place as their highest available preference school were offered a place. For some parents, this may be their second or third preference school. If a particular criterion is listed in this column, for example, 'furthest distance' this is the lowest criterion used to allocate a place and indicates that there were unsuccessful applications.

For aided schools and academies where a criterion number is identified against the heading 'Lowest Criteria Allocated' this refers to that school's published criteria.

Furthest Distance

This is the straight line distance measurement in miles from the home address to the school and shows the furthest distance that was used to allocate a school place under the criterion shown in the previous column. Children within this criterion living further away from the school were unsuccessful with their preference.

Schools/academies may decide to allocate above their published admission number where permitted, this may have an impact on the eligibility for school transport where this school is determined the nearest.

How to use the information provided in the following school section.

This table may help you when expressing your three preferences for schools.

- 1 First consider how many applications were received for a preferred school.
- 2 Compare this with how the places were offered in the 'Places allocated' column.
- 3 Next look at the lowest criteria allocated to see if any applications were unsuccessful.
- 4 If applications were unsuccessful, would your application have a lower priority for admission i.e. below the lowest criterion allocated and the distance measurement within this criterion listed alongside it?
- 5 If you have a lower priority for admission, you need to bear in mind that your application would have been unsuccessful based on last year's parental preferences. There may therefore be a significant prospect of your application being unsuccessful. You will have a statutory right of appeal if this is the case

SECTION 3: ADMISSION ARRANGEMENTS

COMMUNITY & VOLUNTARY CONTROLLED SCHOOLS

ONLY OVERSUBSCRIPTION CRITERIA

- 1) A **'Looked After Child'** or a child who was previously looked after by an English Local Authority but ceased to be so because they were adopted (or became subject to a child arrangements order, or special guardianship order). A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- 2) A **'Looked After Child'** or a child who was previously looked after outside England but ceased to be so because they were adopted (or became subject to a child arrangements order, or special guardianship order).
- 3) **Siblings** – pupils with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters **living together as part of one household**, already attending the preferred school (in years Reception through to Year 5).

Where the admissions team identify a discrepancy with the address stated on the application and the address held on the admissions system for the sibling, the team will verify the details with the school, therefore please ensure that the school has the correct, up to date information.

- 4) **Children resident within the designated catchment zone of the school (a).**
- 5) **Children** not resident within a school's local catchment zone but **attending a school designated as a partner school for admissions purposes**, as out-of-zone pupils (not applicable for Reception applications).
- 6) **Pupils living nearest to the school.** Distance will be measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

Where a school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if a school cannot accommodate all siblings for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings (criterion 3) who live within the school's designated catchment area (criterion 4).
- Siblings (criterion 3) who **do not** live within the school's designated catchment area (criterion 6).

All applicants within each criterion will be put into a distance order with priority being given to those that live nearest to the school, as stated in criterion 5 above.

(a) Catchment Areas

Children are classed as 'in area' (resident in the school's catchment area) for a primary school under the Council's admission arrangements if they and their parents/carers are resident in the area served by the school on the closing date for applications. You can obtain information on which school serves your address by viewing 'Catchment Areas' at www.cheshirewestandchester.gov.uk/admissions or alternatively by contacting the Authority on **0300 123 7039**.

The law will not allow any authority to guarantee places at the catchment area school. Neither can places be reserved.

- (b) Where it is identified that there are a limited number of places available and the Local Authority cannot differentiate between the applications using the nearest school criterion (criterion 6) a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats.

VOLUNTARY AIDED SCHOOLS OVERSUBSCRIPTION CRITERIA

Please Note

Schools over subscription criteria is published within this booklet. Full details of the policies can be viewed on the schools' websites

Supplementary Information Forms

A number of voluntary aided (church) schools (listed below) require the completion of a Supplementary Information Form in order that additional information in support of an application, particularly in relation to faith, is provided for consideration by the governing body as the admissions authority for the school.

Please Note

Supplementary Information Forms **must** be completed and returned to the relevant school and **not** the Local Authority. You **must** still complete the Authority's application form for a school place, stating your preferred schools in priority order, which must be returned to the Authority at the address provided on the form.

You can access a copy of the forms on the Cheshire West and Chester website at

www.cheshirewestandchester.gov.uk/admissions.

Alternatively, please contact the school. School contact details are provided in the 'Schools Section' of this booklet.

Bishop Wilson CE Primary School

1. A 'looked after child' or a child who has been previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation or any other provider of care whose sole main purpose is to benefit society.
2. Children with exceptional, medical or social circumstances, naming the school or special circumstances affecting the child where these needs can only be met at this school (Note a).
3. Children with sisters or brothers who will still be at the school at the time of admission. (Note e)
4. Children of families who are regularly involved in the work and worship at the churches of St Nicholas, Burton or St. Michael, Shotwick. (Note b)
5. Children whose families are regularly involved in the work and worship of a church affiliated to Neston and District Churches Together. (Note b and c).
6. Children resident in the United Benefice of St Nicholas, Burton and St Michael, Shotwick. (Note d)
7. Children whose families are regularly involved in the work and worship of another Church of England Church, and for whom this is the closest Church of England school measured by the shortest walking route from the front door of the child's home address to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. (Note b)
8. Children resident outside the United Benefice of St Nicholas, Burton and St Michael, Shotwick. (Note d)

Random allocation will be used as a tie-break in the final category above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide as measured above.

Chester Blue Coat C of E Primary School

- 1) Looked after children. A "looked after child" is a child who is in the care of the local authority or provided with accommodation by that authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order (as defined in section 22 of the Children Act 1989).
- 2) Children with special medical or social circumstances affecting the child where these needs can only be met at this school.

- 3) Children who have a sibling in school who will still be attending school the following year.
- 4) The children of parents who are resident within the parish boundaries of the following churches; St Thomas of Canterbury, St Peter's, St John's, Christ Church or Chester Cathedral and/or resident within the catchment area of Chester Blue Coat CE Primary School as shown on the Local Authority's website.
- 5) Children whose parents who are faithful and regular worshippers at one of the following churches: St Thomas of Canterbury, St Peter's, St John's, Christ Church or Chester Cathedral.
- 6) Children whose parents are faithful and regular worshippers in a Christian church, as recognised by Churches Together in Britain and Ireland.
- 7) Children who live nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

If there are not enough places to admit all applicants meeting any one criterion, the governors will apply the subsequent criteria, in order of priority, to all these applicants.

Crowton Christ Church CE Primary School

1. Priority will be given to 'Cared for Children and Children who were 'Previously Cared for'. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). A child arrangements order is as an order settling arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989 as amended by Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Davenham CE Primary School

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation or any other provider of care whose sole main purpose is to benefit society.
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school. Professional supporting evidence from e.g. a doctor, psychologist, social worker, is required that sets out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school. The Supplementary Information Form should be completed if applying through this criterion.
3. Children whose parent/s or carer/s are faithful and regular worshippers at the parish church of St Wilfrid's.

'Faithful and regular' is taken to mean attendance at a minimum of twenty four public worship services in the previous year prior to the closing date for applications. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

A parent / carer is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church', it is sufficient for just one parent to attend. It is the responsibility

of the parent / carers to formally record attendance at services with the church (not just attending without being formally recorded) for the year in advance of the closing date of applications. Please speak to the Church/ School Admissions Coordinator at St. Wilfrid's for more information.

The Supplementary Information Form should be completed if applying through this criterion.

4. Children with a sibling attending the school at the time of application who will still be attending the school in the following year. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
5. Children resident within the Admission Priority catchment area of the school. The Admission Priority catchment area of the school lies to the south of the A556 Northwich Bypass and to the north of the Moulton School catchment area. A map is available from the school office.
6. Children resident within the Ecclesiastical Parish of Davenham – St. Wilfrid's.

The Parish of Davenham, Leftwich, Kingsmead and Gadbrook is situated in mid Cheshire, in the centre of the Diocese of Chester. It is a large parish, stretching five miles from north to south, and five miles from east to west. To the north, the parish extends to the railway viaduct across London Road. The western boundary is the River Weaver from the Viaduct Bridge to the Vale Royal Locks. The southern and eastern areas of the parish are almost entirely rural and farming land. The eastern boundary is King Street (old Roman Road) and Bostock Hall lies almost on the southern boundary. Davenham Village lies at the centre of the parish.

A map is available from the school office. Parish maps can also be found on www.achurchnearyou.com

7. Children resident outside the Parish nearest to the school, distance will be measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

If there are not enough places to admit all applicants meeting any one criterion, the governors will apply the subsequent criteria, in order of priority, to all these applicants.

Random allocation will be used as a tie-break in the final category above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide as measured above.

Where it is identified that there are a limited number of places available and the Governing Body cannot differentiate between the applications using the nearest school criterion (criterion 7) a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats.

ACADEMIES OVERSUBSCRIPTION CRITERIA

**Please
Note**

Schools oversubscription criteria is published within this booklet. Full details of the policies can be viewed on the schools' websites.

- Dodleston CE Primary School
- Frodsham Primary Academy
- Huxley CE Primary School
- Wimboldsley Community Primary School

The above schools have recently converted to Academy status. The arrangements to apply to applications for admissions in September 2025 are those determined by the Council as shown in this booklet at the beginning of Section 3.

Acresfield Primary School

- 1) Children who are looked after or are previously looked after child;
- 2) Children who have a sibling who attends the Academy at the date of admission;
- 3) Children of staff of the Academy who have been employed for two or more years at the time of the application or are recruited to fill a vacant post for which there is a demonstrable skill shortage. To qualify under this criterion, the staff member must be a 'direct employee'. This includes any member of staff (teaching or non-teaching) with two years continuous employment with the school or seasonal employment totalling two years. Staff contracted in to provide services to the school do not count as 'direct employees'. For the purposes of this criterion, 'children of staff' is taken to include a son, daughter or stepson/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed by the school;
- 4) Children who attend Acresfield Nursery – Children will be classed in this category if they attend the Acresfield Nursery for at least 15 hours a week at the time of application. NB: Children who go to a nursery or preschool based at a school do not get a guaranteed place at the school. You must still make a reception application.
- 5) Other children, with priority for admission given to those whose home address is the shortest distance from the Academy.

Barnton Community Primary and Nursery School, Comberbach Nursery and Primary School, Grange Community Primary and Nursery School, Leftwich Community Primary School and Westminster Community Primary School

- 1) **Looked after and previously looked after children**

A '**looked after child**' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services

functions, in England. A 'previously looked after child' is a child who was looked after in England, but ceased to be so because they were adopted, or became subject to a child arrangements or residence order, or a special guardianship order.

Applications in this category must be accompanied by a signed and dated letter from the child's social worker or former social worker confirming their status, to be received by the application deadline in the normal admission round.

- 2) **Children with a sibling at the School in Reception Year to Year 6**

The sibling must attend the School in Reception Year to Year 6 at the time of application/the application deadline and when the applicant child is admitted.

For the purpose of this category, a 'sibling' is a full sibling (sharing both parents), a half sibling (sharing one parent), an adopted sibling, a long term foster sibling (i.e. not a temporary placement), a step sibling (one child's parent married to the other child's parent), or a child of their parent's cohabiting partner. In all cases, the sibling must live at the child's home address (as defined by this policy) as part of the same core family unit. For the avoidance of doubt, a child of a friend or extended family member (e.g. cousin) will not be a 'sibling' for this purpose, even if they live at the same address as the applicant child.

For inclusion in this category, parents must state the sibling's details in the application form.

- 3) **Distance from Home to School**

Where there are more applications than places remaining, the order in which remaining places will be allocated will be determined by the distance between the child's home address (as defined by this policy) and the School, with those living nearest receiving highest priority.

Distance will be measured using the National Land and Property Gazetteer (NLPG) which measures in a straight line from the School's coordinate point to the coordinate point for the child's home address in miles. Parents should note that, while distance measuring software available online may give them a rough idea as to the distance involved, it will not be as accurate as the dedicated software used by Cheshire West and Chester Council. Where the child lives in a multi-dwelling building (for example, an apartment block), distance will be measured from same point in the building so that the distance will be the same for all children living there.

Where two or more children live an equal distance from the School (including where they live in the same multi-dwelling building), the order in which places are allocated will be determined by random allocation supervised by someone who is independent of the School.

Belgrave Primary School

- 1) Looked-after children or previously Looked-after children but ceased to be so because they were adopted (or became subject to a child arrangements or special guardianship order).

The definition of Looked after is as follows: -

A child is looked after by a local authority, religious authorities or other organisations that act in the public benefit if he or she has been provided with accommodation for a continuous period of more than 24 hours, in the circumstances set out in sections 20 and 21 of the Children Act 1989, or is placed in the care of a local authority by virtue of an order made under part IV of the Act. This provision also exists for children previously in such care, outside of England.

- 2) Siblings – students with elder brothers or sisters, stepbrothers or stepsisters, half-brothers, or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school, and expected to continue at the school in the following school year.
- 3) Children of staff employed by the school who have been employed for two or more years by the 1 September of the year of entry, or who have been recruited to meet a particular skills shortage.

For clarity, applicants in this category will be ranked by distance.

- 4) Children resident within the designated catchment area of the school.

Children will be classed within this category if they and their parents/carers are resident within the area served by the school at the time of application.

Proof of address may be required to verify place of residence.

- 5) Distance – Pupils living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point of the child's home address to the centrally plotted basic land and property unit point of the school as defined by local land and property gazetteer. Proof of address may be required to verify place of residence.

Where a school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if a school cannot accommodate all siblings for whom an application has been received, all siblings will be prioritised in the order of:

- Siblings who live within the school's designated catchment area
- Siblings who do not live within the school's designated catchment area.

All applicants within each criterion will be put into distance order with priority being given to those that live the nearest to the school, as stated above.

Boughton Heath Academy

- 1) Looked after, previously looked after children, adopted from care, special guardianship

A 'looked after child' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions, in England. A 'previously looked after child' is a child who was looked after in England, but ceased to be so because they were adopted, or became subject to a child arrangements or residence order, or a special guardianship order.

All references to previously looked after children in this Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Applications in this category must be accompanied by a signed and dated letter from the child's social worker or former social worker confirming their status, to be received by the application deadline in the normal admission round.

- 2) Children with a sibling at the School in Reception Year to Year 6

The sibling must attend the School in Reception Year to Year 6 at the time when the applicant child is admitted.

For the purpose of this category, a 'sibling' is a full sibling (sharing both parents), a half sibling (sharing one parent), an adopted sibling, a long term foster sibling (i.e. not a temporary placement), a step sibling (one child's parent married to the other child's parent), or a child of their parent's cohabiting partner. In all cases, the sibling must live at the child's home address (as defined by this policy) as part of the same core family unit. For the avoidance of doubt, a child of a friend or extended family member (e.g. cousin) will not be a 'sibling' for this purpose, even if they live at the same address as the applicant child.

For inclusion in this category, parents must state the sibling's details in the application form.

3) Children of staff members employed at Boughton Heath Academy

The staff member must have a permanent contract, be permanently based at Boughton Heath Academy for more than 50% of their normal working hours each week during term time, and have been:

- Employed for at least two years at the time of application; or
- Recruited to fill a vacant post for which there is a demonstrable skill shortage, as confirmed by their HR Manager (see below). For the avoidance of doubt, it is not possible for a staff member to have priority at more than one School within the Trust.

For the purpose of this category, a 'child' of a staff member is their natural or adopted child (whether they live with the staff member or elsewhere), and/or their step-child or child of their cohabiting partner (where they live and sleep at the staff member's home address for more than 50% of their time from Sunday to Friday night during term time). For the avoidance of doubt, a step-child or child of a cohabiting partner, who lives elsewhere, will not be eligible for a place under this category.

For inclusion in this category, the employed parent must complete the application form, and it must be accompanied by a signed and dated letter from the employed parent's

HR Manager confirming how they meet the criteria set out above, to be received by the application deadline in the normal admission round.

- 4) All other children. This category will include all children who do not fall into any of the oversubscription categories above.

Where there are more applications than places remaining in any of the oversubscription categories, the order in which places will be allocated will be determined by the distance between the child's home address (as defined by this policy) and the School, with those living nearest receiving highest priority.

Distance will be measured using the National Land and Property Gazetteer (NLPG) which measures in a straight line from the School's coordinate point to the coordinate point for the child's home address in miles. Parents should note that, while distance measuring software available online may give them a rough idea as to the distance involved, it will not be as accurate as the dedicated software used by Cheshire West and Chester Council.

1. **Cared for and previously cared for children.** A 'cared for child' is a child who is in the care of a local authority or provided with accommodation by that local authority (as defined in section 22 of the Children Act 1989). Children previously 'cared for' are children who were 'cared for' as defined above, but immediately after being 'cared for' became subject to an adoption, child arrangements order (formerly residence order), or special guardianship order. A child arrangements order is as an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989 amended by Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians). This includes

children who appear to (in the view of CW&C) have been in state care outside of England and ceased to be in state care as a result of being adopted."

All references to previously looked after children in this Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Applications in this category must be accompanied by a **signed and dated letter from the child's social worker or former social worker confirming their status**, to be received by the application deadline in the normal admission round.

2. **Children with a sibling at the School in Reception Year to Year 6.** The sibling must attend the School in Reception Year to Year 6 at the time when the applicant child is admitted.

For the purpose of this category, a 'sibling' is a full sibling (sharing both parents), a half sibling (sharing one parent), an adopted sibling, a long term foster sibling (i.e. not a temporary placement), a step sibling (one child's parent married to the other child's parent), or a child of their parent's cohabiting partner. In all cases, the sibling must live at the child's home address (as defined by this policy) as part of the same core family unit. For the avoidance of doubt, a child of a friend or extended family member (e.g. cousin) will not be a 'sibling' for this purpose, even if they live at the same address as the applicant child.

For inclusion in this category, parents must state the sibling's details in the application form.

3. **Children of staff members employed at Kelsall Primary and Nursery School.** The staff member must have a permanent contract, be permanently based at Kelsall Primary and Nursery School for more than 50% of their normal working hours each week during term time, and have been:

For the purpose of this category, a 'child' of a staff member is their natural or adopted child (whether they live with the staff member or elsewhere), and/or their step-child or child of their cohabiting partner (where they live and sleep at the staff member's home address for more than 50% of their time from

Sunday to Friday night during term time). For the avoidance of doubt, a step-child or child of a cohabiting partner, who lives elsewhere, will not be eligible for a place under this category

For inclusion in this category, the employed parent must complete the application form, and it must be accompanied by a signed and dated letter from the employed parent's HR Manager confirming how they meet the criteria set out above, to be received by the application deadline in the normal admission round.

4. **All other children.** This category will include all children who do not fall into any of the oversubscription categories above.

Where there are more applications than places remaining in any of the oversubscription categories, the order in which places will be allocated will be determined by the distance between the child's home address (as defined by this policy) and the School, with those living nearest receiving highest priority.

Norley CE Primary School

1. Looked After Children and all previously Looked After Children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Children with special medical or social circumstances affecting the child, where these needs can only be met at this school.
3. Children who have a sibling in school who will still be attending school the following year.
4. Children resident in the parish of Norley St. John the Evangelist and/or resident within the Norley School Catchment area shown on the Local Authority's website.
5. Children whose parents are faithful and regular worshippers in a Christian church, as recognised by Churches Together in Britain and Ireland.
6. Children, who live nearest to the school, distance will be measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG), with those living closer to the school receiving the higher priority.

If there are not enough places to admit all applicants meeting any one criterion, the governors will apply the subsequent criteria, in order of priority, to all these applicants. If there are more applicants than places for each criteria then the priority will be given to Children, who live nearest to the school, measured using an Ordnance Survey address-point system which measures straight line distances in miles as above, with those living closer to the school receiving the higher priority. Where two or more applications cannot be otherwise separated, the final place will be determined through a random draw. The draw will be conducted and scrutinised by persons independent from the School, and from the Children, Families and Wellbeing Directorate.

Oak View Academy

- (1) Children who are looked after or are previously looked after child;
- (2) Children who have a sibling who attends the Academy at the date of admission;
- (3) Children of staff of the Academy who have been employed for two or more years at the time of the application or are recruited to fill a vacant post for which there is a demonstrable skill shortage. To qualify under this criterion, the staff member must be a 'direct employee'. This includes any member of staff (teaching or non-teaching) with two years continuous employment with the school or seasonal employment totalling two years. Staff contracted in to provide services to the school do not count as 'direct employees'. For the purposes of this criterion, 'children of staff' is taken to include a son, daughter or stepson/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed by the school;
- (4) Children who attend Acorn Pre-School – Children will be classed in this category if they attend the Acorn Pre-School at the time of application.

NB: Children who go to a nursery or pre-school based at a school do not get a guaranteed place at the school. You must still make a reception application.

- (5) Other children, with priority for admission given to those whose home address is the shortest distance from the Academy.

Over Hall Community School

- 1) A 'Looked after child' or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements or special guardianship order). A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- 2) Siblings – pupils with brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school (in years Reception through to Year 5 and expected to continue at the school in the following school year. (i.e. at the time of admission) .
- 3) Children resident within the designated catchment zone of the school. Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the closing date for applications.
- 4) Pupils living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the academy as defined by Local Land and Property Gazetteer (LLPG).

Where the academy cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if the academy cannot accommodate all siblings for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings (criterion three) who live within the school's designated catchment area (criterion four);
- Siblings (criterion three) who do not live within the school's designated catchment area (criterion five).

All applicants within each criterion will be put into a distance order with priority being given to those that live nearest to the school, as stated in criterion five above.

Where it is identified that there are a limited number of places available and the academy cannot differentiate between the applications using the nearest school criterion (criterion five) a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats or are children of a multiple birth living at the same address.

Parklands Community Primary School

1. Highest priority will be given to Looked After children and all previously looked after children who apply for a place at the school.
2. Priority will next be given to children with siblings at the school in years Reception through to Year Five. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school nor siblings who are due to leave Parklands Community Primary & Nursery and move to high school the next year.
3. Priority will next be given to children resident within the designated catchment zone of the school. Children will be classed within this category if they and their parents or carers are resident within the areas served by the school at the time of application. However, for the normal admission rounds, the authority may consider a change of address providing the child is resident in the new property and supporting documentation is received by 15th January for Reception applications, when the authority will begin the allocation of places process.
4. Pupils living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point of the child's home address to the centrally plotted basic land and property unit point of the school as defined by local land and property gazetteer.

Where it is not possible to accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if it is not possible to accommodate all siblings for whom an application has been received, all sibling applicants will be prioritized in the order of:

- Siblings who live within the school's designated catchment area
- Siblings who do not live within the school's designated catchment area

All applicants within each criterion will be put into distance order with priority being given to those that live nearest to the school, as stated above.

Where it is identified that there are a limited number of places available and the local authority cannot differentiate between the applications using the nearest school criterion, a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats or separate addresses measuring the same distance from school.

St Oswalds Primary

1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted".

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2. Children resident in the parish of St. Oswald's, Backford. A map showing the parish is available from the school and on its website.
3. Children who have a sibling in St Oswald's school who will be attending St Oswald's the following year. "Siblings are defined as brothers or sisters, step - brothers or step - sisters, half-brothers or half-sisters, adopted brothers or sisters living together as part of one household."

- Children whose families are faithful and regular worshippers in St Oswald's Parish Church.

By "faithful and regular" we mean attendance at a minimum of one main Sunday service per month for the twelve months prior to the closing date for applications.

A supplementary form signed by a minister or other church officer will be required as evidence under this criteria.

Family members in this context include parents and siblings, as defined above. A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend.

- Children with special medical or social circumstances.

Supporting letters from Social Worker, or Medical Specialist, explaining why this school is the most appropriate is required and should be included, in a sealed envelope, with the application form and supplementary form.

- Children whose families are faithful and regular worshippers in a neighbouring Church of England parish church for whom this is the nearest Church of England Aided School.

By "faithful and regular" we mean attendance at a minimum of one main Sunday service per month for the twelve months prior to the closing date for applications.

A supplementary form signed by a minister or other church officer will be required as evidence under this criteria.

Family members in this context include parents and siblings only. A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend.

Distance is measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer.

- Children whose families are faithful and regular worshippers of another Christian denomination, as recognised by Churches Together in Britain and Ireland and for whom this is the closest Church of England school.

By "faithful and regular" we mean attendance at a minimum of one main Sunday service per month for the twelve months prior to the closing date for applications.

A supplementary form signed by a minister or other church officer will be required as evidence under this criteria.

Family members in this context include parents and siblings, as defined in Criteria 3. A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. Distance is measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer.

- Children who live nearest to the school.

Distances are measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer.

If there are not enough places to admit all applicants meeting any one criterion, the Governors will apply the subsequent criteria, in order of priority to all these applicants.

Tarvin Primary School

1. **A looked after child or a child who was previously looked after** by an English Local Authority but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship, order. A looked after child is a child who is in the care of a local authority or being provided with accommodation by a local authority in the exercise of their social services functions, as defined in section 22(1) of the Children Act 1989.
2. **A looked after child or a child who was previously looked after outside England** but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship, order. A looked after child is a child who is in the care of a local authority or being provided with accommodation by a local authority in the exercise of their social services functions, as defined in section 22(1) of the Children Act 1989.
3. **Siblings.** Pupils with brothers or sisters, step brothers or step sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school in years reception through to year five in a primary school. Siblings in year six will not be considered under this criterion for the normal admission rounds.
4. **Children resident within the designated catchment zone of the school.** Children will be classed within this category if they and their parents or carers are resident within the area served by the school at the time of application. However, for the normal admission rounds, the admission authority may consider a change of address providing the child is resident in the new property and supporting documentation is received by 20 February 2025 for reception applications, when the admission authority will begin the allocation of places process.
5. **Pupils** living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point of the child's home address to the centrally plotted basic land and property unit point of the school as defined by local land and property gazetteer.

Where the school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission.

For example, if a school cannot accommodate all siblings for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings who live within the school's designated catchment area
- Siblings who do not live within the school's designated catchment area

All applicants within each criterion will be put into distance order with priority being given to those that live nearest to the school, as stated above.

Where it is identified that there are a limited number of places available and the admission authority cannot differentiate between the applications using the nearest school criterion, a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats or separate addresses measuring the same distance from the school.

The Acorns Primary and Nursery School

Siblings in year six and year eleven will not be considered under this criterion for the normal admission rounds.
4. **Children resident within the designated catchment zone of the school.** Children will be classed within this category if they and their parents or carers are resident within the area served by the school at the time of application.

2. Children who have a sibling who attends the Academy at the date of application
3. Children of staff of the Academy who have been employed for two or more years at the time of the application or are recruited to fill a vacant post for which there is a demonstrable skill shortage. To qualify under this criterion, the staff member must be a 'direct employee'. This includes any member of staff (teaching or non-teaching) with two years continuous employment with the school or seasonal employment totalling two years. Staff contracted in to provide services to the school do not count as 'direct employees'. For the purposes of this criterion, 'children of staff' is taken to include a son, daughter or stepson/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed by the school.
4. Children whose home address is within the Catchment Area of the Academy, with priority given to those children that live nearest to the Academy by distance. A link to the catchment area is included below;
5. Other children, with priority for admission given to those whose home address is the shortest distance from the Academy.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order. All references to previously looked after children in this policy mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 2) **Siblings** pupils with brothers or sisters, step-brothers or stepsisters, foster brother or sisters, half brother or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school (in years reception through to year 5) and expected to continue at the school in the following school year at the time of admission.

Under exceptional circumstances it may be necessary to offer places over the published admission number to ensure that, as far as possible, twins, triplets or children from other multiple births can attend the same school. Siblings in year six will not be considered under this criterion for the normal admission rounds.

- 3) **Children attending a nursery/pre-school which is based on the school site** commencing the Autumn Term of the admission period preceding their year of entry to reception.
- 4) **Children of staff** - with more than two years' service or those new members of staff recruited to meet a particular skills shortage.
- 5) **Pupils** living nearest to the school measured by the relevant Local Authority using their definition of measuring distances. Please see your Local Authority website for the definition.

Attending our school nursery is NOT a criteria for entrance to school and no applicant will be disadvantaged if they did not attend our on site nursery.

Where a school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if a school cannot accommodate all siblings for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings who live within the school's designated catchment area
- Siblings who do not live within the school's designated catchment area

All applicants within each criterion will be put into distance order with priority being given to those that live nearest to the school, as stated above.

2. Children who have a sibling who attends the Academy at the date of admission;

Half will be allocated based upon straight line distance measurement from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU of the school as defined by the Local Land and Property Gazetteer (LLPG).
