The governing board recognises the need to champion performance for Looked After Children (LAC) and Previously Looked After Children (PLAC) and is committed to improving outcomes for them.

The governing board is committed to ensuring that LAC and PLAC are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- A Designated Governor for LAC and PLAC
- A Designated Teacher for LAC and PLAC
- Personal Education Plans (PEPs) for all LAC

The Designated Teacher will receive relevant training opportunities, specific to factors that impact on the attainment of LAC and PLAC.

All staff in school will have a clear understanding of the issues that affect LAC and PLAC; their learning needs; how to support them in school and issues relating to confidentiality.

Policies, procedures, and strategies to promote the achievement and well-being of this vulnerable group.

Designated Teacher for LAC and PLAC

Designated Governor for LAC and PLAC

Mrs. Debbie Rutter

The Role of the Designated Teacher for LAC & PLAC Children

The designated teacher, ***Mr. David Bradley***, is the central point of initial contact within Lower Peover C.E Primary School. The Designated Teacher ensures that the school plays its role to the full in making sure arrangements are joined up and minimise any disruption to a child's learning.

The Designated Teacher has a leadership role in promoting the educational achievement of every LAC and PLAC on the school's roll. This involves, working with the Virtual School Team to promote the education of LAC and PLAC and promoting a whole school culture where the personalised learning needs of these children matter and their personal, emotional, and academic needs are prioritised.

The Designated Teacher takes lead responsibility for ensuring school staff understand the things which can affect how LAC and PLAC learn and achieve and how the whole school supports the educational achievement of these pupils.

The Designated Teacher promotes the educational achievement of LAC and PLAC by contributing to the development and review of whole school policies.

Any decisions or actions within school, in relation to LAC and PLAC, should be reviewed with the Designated Teacher. This will therefore ensure that the most well informed and effective route is taken.

The Designated Teacher promotes a culture in which LAC and PLAC:

- Are able to discuss their progress and be involved in setting their own targets, have their views taken seriously, and are supported to take responsibility for their own learning.
- Are encouraged to participate in school activities and in decision making within the school and the care system.
- Where they believe they can succeed and aspire to further and higher education.
- Discuss difficult issues (such as SEN, bullying, attendance) in a frank manner with a sympathetic and empathetic attitude.

The Designated Teacher is a source of advice for teachers about: differentiated teaching strategies appropriate for individual pupils who are LAC or PLAC; and the use of Assessment for Learning (AFL) approaches to improve the short- and medium-term progress of LAC and PLAC and help them and their teachers understand where they are in their learning (including any knowledge gaps), where they need to go, and how to get there.

The Designated Teacher works directly with LAC and PLAC and their carers, parents, or guardians to: promote good home-school links; support progress by paying particular attention to effective communication; ensure they are aware of how the school teaches key skills such as reading and numeracy; and encourages high aspirations and working with the child to plan for their future success and fulfilment.

The Designated Teacher has lead responsibility for the development and implementation of PEPs for LAC within school in partnership with others, as necessary.

The Designated Teacher is responsible for ensuring that the PEPs are completed within statutory timescales and a copy is returned to the Virtual School Team as outlined in the PEP guidance.

The Designated Teacher should ensure that the school spends the allocated Pupil Premium Plus Grant for the benefit of the LAC and PLAC cohort and can account for the impact of this Grant on the outcomes of the cohort.

The Designated Teacher works closely with the school's Designated Safeguarding Lead to ensure that any safeguarding concerns regarding LAC and PLAC are quickly and effectively responded to.

The Designated Teacher is aware that the Virtual School Team can provide information and advice to parents and designated teachers on meeting the needs of PLAC.

The Designated Teacher should fully involve parents and guardians in decisions affecting their child's education and must gain authorisation from parents to discuss their child with the Virtual School Team for advice on meeting their individual needs.

Roles & Responsibilities of all staff

All staff in this school will:

- have high expectations of LAC and PLAC's learning and set targets to accelerate educational progress.
- be aware of the emotional, psychological, and social effects of loss and separation (attachment awareness) from birth families and that some children may find it difficult to build relationships of trust with adults because of their experiences, and how this might affect the child's behaviour.
- understand how important it is to see LAC and PLAC as individuals rather than as a homogeneous group, not publicly treat them differently from their peers, and show sensitivity about who else knows about their looked-after or previously looked-after status.
- appreciate the central importance of the PEP in helping to create a shared understanding between teachers, carers, social workers and, most importantly, the child's own understanding of how they are being supported.

- have the level of understanding they need of the role of social workers, Virtual School Heads, and carers, and how the function of the PEP fits into the wider care planning duties of the authority which looks after the child.
- for PLAC, understand the importance of involving the child's parents or guardians in decisions affecting their child's education, and be a contact for parents or guardians who want advice or have concerns about their child's progress at school.

Role & Responsibility of The Governing Board

The governing board of this school will:

- ensure all governors are fully aware of the legal requirements and guidance for LAC and PLAC.
- ensure that there is a named Designated Teacher for LAC and PLAC (**Mr. David Bradley**).
- ensure that the school has a policy and strategy outlining how they plan to spend the Pupil Premium Grant for LAC and PLAC.
- through the Designated Teacher, hold the school to account on how it supports its LAC and PLAC (including how the Pupil Premium is used) and their level of progress.
- be aware of whether the school has LAC and PLAC and how many (no names).
- liaise with the Headteacher to ensure that the Designated Teacher is enabled to carry out her/his responsibilities in relation to LAC and PLAC.
- ensure the Designated Teacher is able to access training needed to fulfil the role of Designated Teacher and make the desired impact on the attainment of LAC and PLAC.
- support the Headteacher, Designated Teacher, and other staff in ensuring the needs of LAC and PLAC are met.
- review the effective implementation of this policy, preferably annually and at least every three years.
